SARADNJA KOJA OBLIKUJE PROSTOR

O nama | About Us

Modna kuća Cameleon doo osnovana davne 1997. godine, više od dve decenije bavi se proizvodnjom i prodajom garderobe. Brend Cameleon, zahvaljujući kreativnom i inovativnom timu dizajnera i menadžera, godine 2019. odlazi korak dalje i pokreće liniju za proizvodnju nameštaja.

Započeli smo proizvodnju modernog nameštaja sa metalnim konstrukcijama visokog kvaliteta, stvarajući novi brend pod nazivom Cameleon Interiors. Cameleon Interiors u ponudi ima komforan nameštaj namenjen opremanju poslovnog i stambenog prostora. Lako se kombinuje i uklapa u sve stilove enterijera, od klasičnih do modernih. Naša atraktivna linija prati svaki dobro uređen savremeni životni prostor koji sa našim nameštajem dobija jedinstvenu dimenziju.

Savremenim dizajnom i kvalitetom obrađenog materijala pratimo i ravnopravno konkurišemo svetskim trendovima.

Cameleon doo fashion - founded back in 1997 has been long engaged in the production and sales of clothes for more than two decades. In 2019, the Cameleon brand goes one step further, as a creative team of managers and designers launches a furniture production line.

We started the production of modern furniture with high-quality metal constructions, creating a new brand by the name - Cameleon Interiors. Cameleon Interiors offers comfortable furniture intended for equipping both business and residential spaces. It is easily combined and fits into any interior style, from classic to modern. Our attractive line accompanies every modern living space, giving it a new and unique dimension.

Accompanying modern design and high quality of processed material, we are able to equally follow and compete with the current World trends and market.
